

Armorer's Class for AK-47, 74, AKS pattern rifles

Marc Krebs, Lead Instructor, of Krebs Custom Firearms, Inc.

Topics to include:

- Profiles of domestically available AK -based rifles (junk vs. good stuff)
- Nomenclature, Cycle of Operation
- Trouble Shooting and Common Problems
- Maintenance and Repair, to the extent possible with common hand tools
- Assembling the Armorer's Tool Kit
- Safety Issues unique to the AK
- Recommended Modifications (with basic hand tools)
- How to fix Alignment Issues with the front sight base
- Optics and Mounts, to include scout mounts
- Zeroing
- Repair and Replacement parts availability, quality and compatibility
- Recommended Magazines
- Ammo and Maintenance after using corrosive ammo
- Folding Stocks, including After Market Folders
- A Short Range Session, focused on Zeroing and Test Fire Procedures

Course Dates

Monday, October 30, and Tuesday, October 31, 2017
8:00 am – 5:00 pm daily

Course Location:

Fort Harmar Rifle Club
Waterford Road
Marietta, OH

Course Fee: \$375

\$50 non-refundable deposit required by October 16

Registration is required

Duey1267@gmail.com

Required Equipment:

- AK pattern rifle, preferably one with a problem
- Basic hand tools, detailed list to be provided upon registration
- Note-taking materials
- Eye and Hearing protection

Please bring all fluids, snacks, and a lunch for each day. According to Marc, these days will be very full and we will probably be working through the lunch time to cover all the material Marc wants to address in these 2 days.
